National Cadet Corps

Akshaya College of Arts and Science got Approved for NCC from Government of INDIA

20

Students

National Cadet Corps

- NCC Cadets attended the IBM Student Development Program organised in association with Tamilnadu School and Education Department at Government Higher Secondary School Kinathukadavu.
- NCC Students participated in Road Safety Awareness Programme from Kinathukadu School to Kinathukadu Check Post, conducted by Govt of Tamilnadu Highway Department.

The collage consists of 24 hexagonal images arranged in a grid-like pattern. The images depict various activities of the NSS unit at Anna Engineering College, including:

- Blood Donation:** Several images show students and staff members donating blood. One image shows a student lying down with a blood pressure cuff, and another shows a student donating blood while a medical professional monitors the process.
- Social Justice Day Pledge:** Multiple images show groups of students and staff members standing together, holding signs or banners that read "Social Justice Day Pledge".
- Group Photos:** Numerous images show large groups of students and staff members posing for group photos in various settings, including outdoors in front of buildings and indoors in hallways.
- Events and Activities:** Other images show students participating in events, such as a student speaking into a microphone, a student performing a dance, and a student holding a certificate.

The collage is set against a yellow background with a grid of hexagonal shapes. The images are arranged in a way that they overlap slightly, creating a sense of a continuous stream of activities.

- **NSS Inauguration**
