

ANNUAL REPORT 2024-2025

Akshaya College of Arts and Science continued its commitment to academic excellence, research, innovation, and professional development during the academic year 2024–2025. Building on its 3.5-Star Rating from the Ministry of Education's Innovation Cell (MoE-IIC), the institution strengthened its culture of innovation and quality education. Over fifteen faculty members participated in Faculty Development Programmes (FDPs), and more than ten faculty members presented papers at international conferences. Faculty published over three book chapters and several research articles in reputed journals. Students actively presented papers in various national and international conferences. Notably, over sixteen faculty members achieved 100% pass results, reflecting the institution's commitment to academic excellence and holistic development.
