

ANNUAL REPORT 2025-2026

During the academic year 2025–2026, Akshaya College of Arts and Science strengthened its commitment to academic excellence, research, innovation, and professional development. Faculty members participated in Fifty One Faculty Development Programmes (FDPs), while over ten faculty members presented research papers at national and international conferences. Research achievements included four research publications, seven book chapters, eight books published, and three patents registered. Additionally, three faculty members and two students completed NPTEL certification courses, promoting continuous learning and skill enhancement. The institution further advanced digital learning through the IIT Bombay Spoken Tutorial Programme, with four hundred thirty-four students completing online certification courses, ten faculty members earning certifications, and Eighty Three students successfully completing internships. Students also presented research papers at conferences and seminars, received Best Paper Awards, and showcased their creativity and technical skills through hackathons and innovation competitions. The college achieved an impressive nearly eighty percentage placement rate through campus recruitment, reflecting its sustained focus on research, digital competency, industry readiness, and the holistic development of faculty and students.
