### EVENTS CONDUCTED

#### Students Seminar

The seminar on 02-08-2023 titled "Can Managers Become Leaders?" proved to be a thought-provoking and insightful event, exploring the intricate relationship between managerial roles and leadership excellence. The seminar concluded with a session focused on practical strategies for cultivating leadership excellence within organizational contexts. Participants gained insights into fostering a culture of trust, empowerment, and innovation.

**Outcome of the Event:** Participants understood how managers become leaders.

#### Unnai Arinthal

The speech began by delving into the profound concept of "Unnai Arindhal," emphasizing the importance of understanding oneself as the foundation for personal and academic success. Throughout the speech, students were encouraged to embrace their unique qualities, strengths, and passions. The speaker shared personal stories of triumphs and challenges, creating a relatable narrative that resonated with the diverse audience.

**Outcome of the Event:** "Unnai Arindhal" motivational speech inspired students to embrace self-discovery, fostering a culture of resilience and personal growth.
